Since the first official visit of the IAAP to China in 1994, there have been 7 previous International Conferences sponsored by IAAP (1998-2015). This has been accompanied by the spectacular growth and development of Analytical Psychology in the mainland of China and the Chinese region (with six IAAP developing groups in Guangzhou, Hong Kong, Taiwan, Macao, Shanghai, and Beijing).

We invite and welcome the international Jungian community, analysts, sandplay therapists, psychologists and scholars to come Xi'an, China for this 8th International Conference of Analytical Psychology and Chinese Culture: Enlightenment and Individuation - East and West. Looking forward to seeing you there.

With the Best Regards,
