THE DARKENED MIRROR

JUNGIAN CLINICAL MIND IN THE AGE OF CYBERSPACE

Houston Marriott Medical Center Hotel**Thursday – Sunday, September 27 – 30, 2018**

The Council of North American Societies of Jungian Analysis, in conjunction with The Jung Center of Houston (junghouston.org), announce a gathering exclusively for Jungian Analysts and Candidates of North America exploring the moment-by-moment mindset evoked in the analytic field and its ethical implications, as well as the comparative experience of different analytic technological and in-person modalities. In addition, the Gathering will again host the fall Delegates Meeting and a day of short personal presentations and discussions by participants.

Program

THURSDAY, SEPTEMBER 27, MARRIOTT MEDICAL CENTER HOTEL

5:00 PM Reception (cash bar) for all Gathering participants

6:30 PM Break up into small groups for dinner at a local restaurant facilitated by a local Analyst.

The Annual Meeting of CNASJA Delegates will be held 9:00 AM to 4:00 PM to discuss matters of interest in the North American Societies.

FRIDAY, SEPTEMBER 28, THE JUNG CENTER OF HOUSTON

Today we will transport ourselves approximately one mile to the excellent facilities of The Jung Center. Using live quasi-analytic sessions in each of four modalities: (face-to-face, telephone, skype, and texting), in combination with small and large group discussions, we shall examine in detail the different emergent forms that occur in each of our minds during particular moments of the “sessions.” Our goal is not to assess the performance of others, rather it is to deepen our understanding of the multiple factors at play in the clinical field through the mirror of our own psyches, as well as the implications in the use of different contemporary technological channels for human interaction.

9:00 AM Introduction and orientation regarding format: each “session” to be followed by small and large group discussions.

9:15 AM – 10:45 AM Face-to-face simulated analytic session

11:00 AM – 12:30 PM Telephone simulated analytic session

12:30 PM – 2:30 PM Lunch break with on-site box lunches (*Art museum viewing available close by.*)

2:30 PM – 4:00 PM Skype simulated analytic session

4:15 PM – 5:45 PM Fantasy analytic session of the future through texting

6:00 PM Tex-Mex Dinner served on-site
