Report of the Advisory Board

To date, two proposals have been received to host the 22nd International Congress of the IAAP. The Uruguayan-Argentinian Society for Analytical Psychology (SUAPA) has submitted a proposal to host the Congress in Buenos Aires, Argentina, and the New Mexico Society of Jungian Analysts (NMSJA) has submitted a proposal to host the Congress in Santa Fe, New Mexico, USA.

The Advisory Board has reviewed the information provided on the sites, on the proposed conference venues, on the congress and financial organization and on travel and accommodation and is happy to report that both bids are in good order and can be considered by the Delegates.

Respectfully submitted
