

Self-description Questionnaire

OPD-SQ

On the following pages you will find a number of statements that describe various characteristics of a person. Please indicate to what extent these statements apply to you. Please tick the answer which describes you the best in general. There are no right or wrong answers because people differ in the way they perceive themselves. Some statements apply to relationships. Please answer those questions according to how you usually see yourself in relationships. If you have not yet been in a romantic relationship, imagine how you would see yourself in one.
