S. (2004) The Cultural Complex: The Introduction

About Samuel Kimbles

Samuel L. Kimbles is a psychologist, Jungian analyst, member and former president of the C. G. Jung Institute of San Francisco, and a clinical professor (VCF) in the Department of Family and Community Medicine at the University of California, San Francisco. He has a private practice in San Francisco and Santa Rosa, California, and works as a clinical consultant to organizations. In addition to lecturing and presenting widely, he has published several works on the cultural complex. *Phantom Narratives: The Unseen Contributions of Culture to Psyche* explores the themes of psyche in groups and society. *Intergenerational Complexes in Analytical Psychology: The Suffering of Ghosts* continues the processes of exploring the unconscious at the level of culture and groups.

***Live class sessions will be held on Zoom. Lecture recordings could be available through on-line streaming in one month if you could not attend live classes.**
